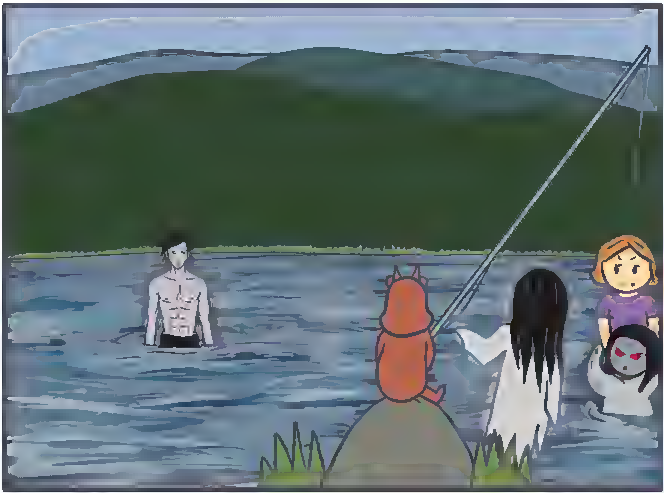
NICHOLALALA

Oh!

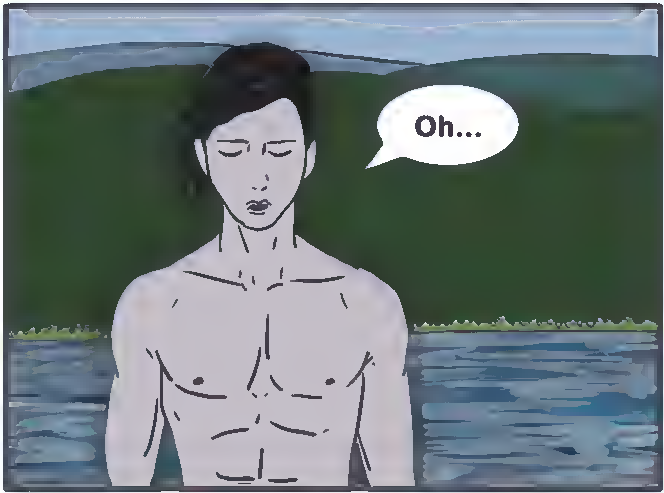
Hey! Why are you so greedy?! Let her go!

You have that sexy guy water ghost to keep you company!



What?

I don't care about him



Oh...

Actually I want to eat her liver!

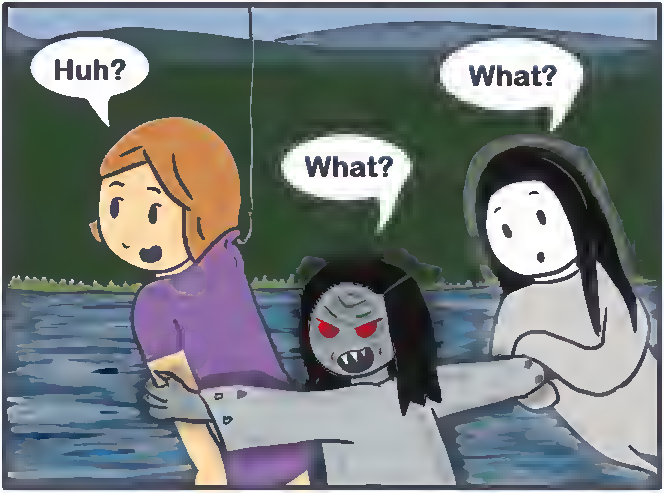
What?! Let me go!

No!

Let go!

Wait!

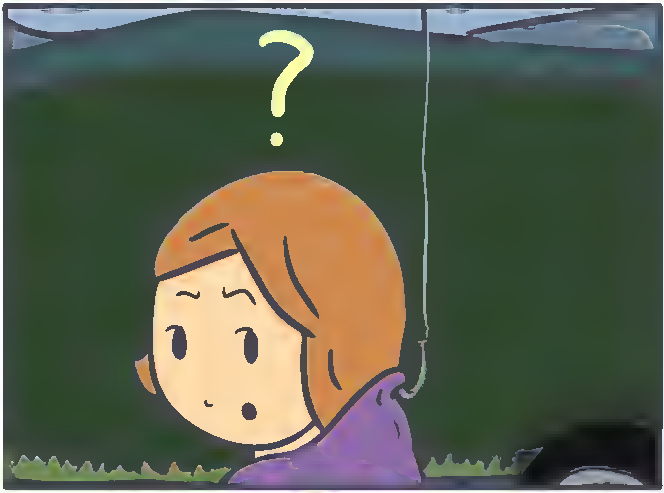
She doesn't have her liver with her of course!



Huh?
What?
What?

A liver is important. She keeps it locked up at home of course.

Oh...Oh... Yes...
Yes...Her liver is
at home...



Let her go home and get it!
Then she can come back
and give it to you

...Okay

We will be back soon with her liver!
Okay...

I'm waiting for you...

Yeah... they aren't coming back.
